

FREE COMMUNITY WORKSHOP · TUMBARUMBA

WORKING TOGETHER TO PREPARE FOR EMERGENCIES

An EmergencyRedi preparedness workshop exploring practical, all-hazards preparation for major disruptions—from heatwaves and supply-chain shocks to rapid technological change and AI risks.

HOSTED BY AUSTRALIAN RED CROSS · SUPPORTED LOCALLY BY FUTURE TOGETHER

WHEN	Tuesday 15 September · 5–7 pm
WHERE	Tumbarumba Bowling Club · Tumbarumba
ENTRY	Free · All welcome

WHAT YOU'LL TAKE AWAY

1

Start your Emergency RediPlan

Simple steps to prepare yourself, your household and the people you care about.

2

Prepare for changing conditions

An all-hazards approach for heat, supply issues and changing services.

3

Make sense of AI risks—together

Practical ways to recognise trusted information and strengthen local connections.

No jargon and no panic—just practical preparation, useful conversations and local connection.

Free Emergency Dry Bag

Provided by Australian Red Cross

Come prepared to connect

Catering provided

Hear from Future Together founder Charlie Garrison—a local—on AI, trusted information and community preparedness.

“Emergencies are changing. The way communities can prepare is changing too.”
